ENROLMENT POLICY

CBC Fremantle has a Policy Statement on Student Enrolment. The policy contains a priority order that is used to select students for whom an offer of enrolment will be made. The priority order contains six categories which are as follows:

1. Practicing Catholic students
2. Other Catholic students
3. Siblings of current students
4. Sons of Old Boys
5. Non-Catholic students from Catholic primary schools
6. Other Non-Catholic students

CBC Fremantle accepts students at all year levels where places are available. The main intake year is Year 7.

The College also includes the following priorities when making offers of enrolment at Year 7 entry:

- Every effort is made to accept brothers of students currently enrolled but no guarantee can be given.
- Children from practising Catholic families fully committed to their parishes.
- Every effort is made to accept sons of former students of the College.
- Consideration will be given to the length of time for which the Application for Admission has been lodged with the College, as well as meeting the application deadline.

CBC Fremantle is a school which provides education based on a Catholic vision of life. Whilst the majority of applying students come from Catholic families, others come from families belonging to different Christian churches. Families also differ in the extent of their active commitment to the life of their church.

We do not seek to exclude students, however for the student's sake, the family and school must be seen to be partners in the process of education. On accepting a position at CBC Fremantle, the student undertakes to participate fully in the life of this Catholic school.

The College accepts students with a range of academic ability. Parents should keep in mind that the College does not have the facilities nor teaching staff to provide more than limited support for students with learning difficulties.
