

2021 John XXIII College
Year 8 and Year 9 Family Purchased Student Device

John XXIII College is a BYODD (bring your own designated device) school from Years 4 to 12.

To cater for the different needs of families from Years 7 to 12, the College has formed a partnership with Winthrop Australia to offer several laptop options. Families can choose to select a device bundle that meets their requirements from a range of available pricing options.

The table below outlines the computer device minimum requirements for Year 8 students in 2021:

| Minimum requirements Windows 10 Laptop  |
|---|
| <ul style="list-style-type: none"> • Operating system - Windows 10 • 12-inch Touch Screen with Digital pen capabilities • Processor - Intel Core i5 • Memory: 8 GB RAM • Storage: 128GB SSD/FLASH • Webcam “Self-facing camera” <i>(an additional front facing camera is optional but encouraged).</i> • <u>Wi-Fi - 802.11ac support for 5GHz (needed to connect to the College wireless network).</u> • Virus scanner: Windows Defender. This anti-virus software comes free with the Windows Operating System and is adequate for student needs. There is no need to purchase other anti-virus software. • Protective case <i>(A protective hard-case can be added to some laptops. This may suit your child).</i> • Laptop sleeve or carry bag. Highly recommended if a hard-case is not available for your laptop of choice. • Warranty: Take note of warranty options provided with your chosen device and select a warranty that suits your circumstances and child. • The College provides a student license for Office 365 Products to be installed later (Office 365 consists of: Word, Excel, Outlook, OneNote, etc). • Please label the laptop and any other device components (e.g. a digital pen) with your child’s name. • Please record the laptop serial number for your own records. • The John XXIII College ICT Help staff will help students setup their laptops in the first week of school. |

Cont.....

There are two options for families purchasing the student device bundle:

1. Purchase the device bundle from our business partner Winthrop Australia at:
<https://sales.winaust.com.au/shop/john23>
2. Families have the option of sourcing their laptop and additions from a vendor of choice. Please choose a laptop that meets the minimum requirements in the table above.

Note: The College has negotiated a 'drop/off pick-up' service for laptops purchased from Winthrop Australia that may need repair or replacement. This service will operate through the College ICT Help Desk.

All queries regarding vendor content must be directed to the vendor.
