ATWELL COLLEGE

RUGBY LEAGUE SPECIALIST PROGRAM (RLSP)

Atwell College aims to provide a high quality and inclusive school-based specialised program for students exhibiting a special talent in Rugby League or in any other football code. In this program, the College provides opportunities to develop life skills such as leadership, teamwork, fair play, competitiveness, responsibility and community involvement in the context of a team sport.

Students will receive a maximum of 4 periods per week for Rugby League and Physical Education lessons. These lessons involve skill development, conditioning and theory lessons.

Practical sessions involve specialist coaching from RLSP staff and NRL WA development officers. These practical sessions consist of skill development as well as refereeing and coaching development.
