TRANBY COLLEGE

Foundation Scholarships for 2020

The Principal invites applications from current Years 3, 6 and 9 Tranby College students to apply for Foundation Scholarships in Years 4, 7 and 10 for 2020.

Foundation Scholarships will provide 25% remission of the College Tuition Fees for three years. Students must have Australian residency or citizenship to be eligible to apply, and must not already hold any scholarship for 2020. Foundation Scholarships now open in 2019 for 2020 are:

- Spirit of Tranby
- Breadth and Depth

Description of Scholarships:

Spirit of Tranby—for students who can demonstrate their active involvement in local voluntary community service activities.

Breadth and Depth—for students who excel in multiple areas across the range of opportunities Tranby offers. *(eg. Dance, Drama, Art, Music, Sport and academically).*

Applicants must demonstrate:

- An excellent level of application in academic studies overall (with a 'B or better' average is a useful guide).
- Active participation across College, co-curricular and community events *(eg. Sports, Performing Arts, Service).*
- A strong motivation to succeed in your chosen fields of endeavour.
- A willingness to adhere and uphold the values of the College.

Review and Monitoring:

All scholarships are subject to review and monitoring on a yearly basis. A scholarship can be withdrawn if the required conditions are not met. It is an expectation of the College that the following conditions are met:

1. The student remains actively involved in the area of their scholarship.
2. The student makes an active contribution to the broader life of the College.
3. The student consistently abides by the expectations laid out in the conditions of enrolment and upholds the values of the College.
4. The student has a high standard of 'behaviour and application'.
