Years 7-12 Inter-house Cross Country Carnival

This term there has been a lot to celebrate on the sporting front, with our primary focus being placed on the Cross Country events that occurred at a school level competing in Houses as well as Inter-school level against other schools in the Perth area.

I would like to take this opportunity to thank all of the students that participated in the Inter-house Cross Country carnival that took place in Week 3 of this term. Whether you ran or walked at this event, you had a go and that is the main thing. Whilst it may seem like a while ago there are some important achievements to recognise from this day such as; the Champion and Runner Up recipients, as well as the overall House winners.
