CO-CURRICULAR TIMETABLE Term 1 2018

CBC Fremantle takes great pride in providing a holistic education in the tradition of Edmund Rice. The staff at CBC Fremantle are highly motivated and committed and, as part of their dedication to providing student experiences beyond the classroom, contribute to a comprehensive Co-curricular Programme. Co-curricular activities include a spectrum of experiences that assist in the development of each individual student's potential. All boys are required to participate in House Sports, which are organised on a weekly basis, and further encouraged to avail themselves of other co-curricular experiences.
