Athletics Honours

Joshua (Josh) Keatch (Year 12 Keys House)
Honours for Achievement in Athletics

Josh has represented the College in Athletics since Year 9.

In 2019, as a Year 11 student, Josh participated in the Open Division, winning the A Division 1500m race and narrowly placing second in the 800m race. He was also named Co-Champion Athlete.

In 2020, again in the Open Division, Josh won the A Division 1500m race and the A Division 800m race. These athletic achievements were outstanding and rarely seen in the PSA competition.

In Year 12, Josh was voted Captain of Athletics. His speeches motivated the squad and he led by example, consistently giving his best effort.

Beyond the College, in the State Athletics School Boy Championships, Josh achieved an outstanding time of one minute 55 seconds in the 800m event, earning him the Gold medal and accolade of State Champion in the Under 20 Division. He was the Silver medalist in the 1500m race in a time of four minutes six seconds and also ran in the 3000m event.

In 2019, Josh competed in the 800m and 1500m races in the National Athletics Championships and would have done so again in 2020 if not for the Covid-19 pandemic.

Josh is undoubtedly one of the most outstanding middle-distance athletes to have attended Scotch College and is a worthy recipient of Honours for Achievement in Athletics.

Cross Country Honours

Joshua (Josh) Keatch (Year 12 Keys House)
Honours for Achievement in Cross Country

Josh has represented the College in the Senior Cross Country team since Year 9, consistently placing in the top 15 runners. In Year 11, when competing against the strongest runners in the PSA competition, he performed at an elite level, either winning or placing second or third in individual

events. Josh won the All Schools three and six kilometer races, placed fifth in the All Schools five kilometer race and fourth in the All Schools eight kilometer race.

In 2020, Josh was voted Captain of Cross Country and took the quality of running to an even higher level. Again, competing against some of the very best schoolboy runners in the state, he won three individual races, placed second in two races and third (in another). Josh placed second in the All Schools three kilometer race, fifth in the All Schools five kilometer race and fourth in the All Schools eight kilometer race. Across all schools in the PSA competition, he was the outstanding Year 12 runner.

In addition to his exceptional performances in races, Josh provided outstanding leadership, motivating the team to train and race to the best of their ability. His speeches were motivational and he worked with individual runners to improve their technique.

Congratulations to Josh for receiving Honours for Cross Country.

Football Honours

Jaxon Hayden (Year 12 Stuart House)
Honours for Achievement in Football

Jaxon has maintained his high standard of performance since cementing his position in the First XVIII team as a Year 10 student.

Jaxon's ability to beat his direct opponent in the air or on the ground rendered him a challenge to play against. His ability to read the play is beyond his years and saw him as one of the best defenders in the competition. This allowed Jaxon to leave his direct opponent and intercept marks, assist a teammate or create an extra number at contests, effectively operating as a loose man behind the play. His consistency in winning the contest and creating the play from the backline provided his teammates with the confidence to attack.

Jaxon was named the 2020 winner of the Cyril Hoft Medal for the First XVIII Fairest and Best. He rarely lost a contest all season and was integral to the team's success and achievement of the Alcock Cup. Jaxon was the most dominant half back in the competition and, in the view of his coaches, would place comfortably in the top five players of the competition.

Jaxon is a fierce competitor and an extremely hard worker. He demonstrated great confidence and leadership on the field and supported his teammates, consistently setting an exemplary example for others to follow.

Jaxon is commended for his achievement of Honours for Football.

George Graham (Year 12 Keys House)
Honours for Achievement in Football

George has played in the First XVIII side since Year 11. He was the winner of the Cyril Hoft Medal in 2019 for the First XVIII Fairest and Best and the equal runner up winner in 2020. George has performed to a consistently high standard throughout this time and, in his final year at the College, was a member of the leadership group, taking the team to an outright Alcock Cup win.

George is an extremely capable and versatile footballer. Tall, quick, powerful and athletic he was a difficult match up wherever he played on the ground. Combined with his high skill level and leadership skills, George was a prized team player.

George dominated in hit outs and clearances. While his agility, strength and speed saw him compete successfully in the air, he beat all when the ball hit the ground. George reads the play well and his natural competitiveness and versatility ensured he could be successfully deployed to any part of the ground. In the opinion of the coaching group, George would easily be in the top ten players of the PSA competition.

Beyond the College, George played with the Claremont Colts, being awarded a place in their Grand Final side.

George is congratulated on being awarded Honours for Football.

Thomas (Tom) Graham (Year 12 Keys House)
Honours for Achievement in Football

Tom has played in the First XVIII for two years. In his initial game this season, despite working his way back from injury, he kicked five goals and contributed significantly to the team arresting a 21 point deficit to win by three points. Standing tall in crucial moments within important games was a feature of Tom's performances, with a highlight being him kicking six goals in the penultimate game of the 2020 season.

Tom was a member of the leadership group for the 2020 Alcock Cup winning team and was the premier key forward of the competition, outscored by only one other. He demonstrated a fearless attack on the ball in the air and consistently hit marking contests to either take the mark or bring the ball to ground. Given his presence in the competition, he was often required to beat more than one opponent.

In the opinion of the coaches, Tom is one of the top 10 players in the PSA competition and would be named as a key forward if an all PSA team was selected. Tom finished equal runner up in the count for the Cyril Hoft Medal for the First XVIII Fairest and Best demonstrating his consistently high level of performance within a very strong team.

Tom is a deserving recipient of Honours for Football.

<u>Hockey Honours</u>

Max Freedman (Year 12 St Andrews House)
Honours for Achievement in Hockey

Max debuted in the First XI Hockey team in Year 9. In 2020, as Captain of the youthful developing side, he was undoubtedly one of the standout players in the PSA competition. Max was Scotch College's equal top goal scorer for the season and was awarded the Peter Freitag Best and Fairest medal.

Max sets himself apart on the field through his explosive play, ball control and his line breaking ability through the midfield to set up goal scoring opportunities. He turned games with his pace, cutting through opposition defences. Max's skill was a regular highlight in tight midfield contests against other PSA schools where his performance proved him to be one of the top players in the competition.

Max's leadership contributed greatly to the programme and he set an excellent example for his peers, approaching every game with a desire to perform to the best of his ability.

Beyond the PSA competition, Max has played Hockey at state level, having been selected for the Under 12, 13, 15, 16 and 18 teams and only missing out on representing Western Australia in 2020 due to the Covid-19 pandemic. This year, Max made his debut for the YMCA Coastal City Club Premier One Men's Team. (Waiting on confirmation from Kate WB)

Congratulations to Max on receiving Honours for Hockey.

<u>Music Honours</u>

Max Shervington (Year 12 Anderson House)
Honours for Achievement in Music

Max has been fully immersed in music at Scotch College since Year 6 and plays the trombone, the tuba and the bass trombone, all to a very high standard. In Year 10, he was a member of no less than seven ensembles, including the award winning Jazz Orchestra that toured to Mount Gambier and achieved first place in Division 3 of the Generations in Jazz Stage Band competition. Throughout Year 12, Max has been a member of the Scotch Concert Band, Symphonic Winds, the PLC and Scotch Symphony Orchestra and the Senior Brass ensemble.

Max has been a brilliant role model and mentor for younger musicians and, since Year 10, has devoted his Friday afternoons to supporting Year 6 students in their music classes. In Year 12, he mentored another student through his preparation for the role of chief tuba player of the College. Max has been responsible for forming a brass ensemble in order to provide processional and recessional music for sub-school assemblies.

In 2020, Max successfully auditioned for the only tuba chair in the West Australian Youth Orchestra (Philharmonic Orchestra) and was rehearsing and performing with this ensemble until Covid-19 restrictions meant rehearsals were cancelled for two months. He has now resumed this activity.

Max is a worthy recipient of Honours for Achievement in Music.

Ethan Lamb (Year 12 Ross House)
Honours for Achievement in Music

Music has been a significant part of Ethan's life since Year 6. He now studies trumpet, drum set, piano and voice and, with a focus on brass and percussion, has attained a very high standard in each.

Ethan has completed two Australian Music Examinations Board (AMEB) music examinations per year on both trumpet and drum set and recently received a distinction for 8th Grade drum set in the Rock school syllabus.

He has participated in numerous College ensembles and in Year 10, was a member of the award-winning Jazz Orchestra that toured to Mount Gambier and achieved first place in Division 3 of the Generations in Jazz Stage Band competition. Ethan toured again in Year 11, when he led the trumpet section.

In 2019, Ethan successfully auditioned for a trumpet position in the West Australian Youth Jazz Orchestra (WAYJO). He was appointed to the second trumpet chair in the Monday night orchestra, the position occupied by the musician who takes all the trumpet solos. This year, Ethan was again successful in his audition for WAYJO, this time being offered the position of the third trumpet chair. Such was his skill level, that Ethan was promoted to the lead trumpet chair (section leader), that he now maintains.

Congratulations to Ethan on receiving Honours for Achievement in Music.

Pipe Band Honours

David Stülpner (Year 12 Cameron House)
Honours for Achievement and Service to the Pipe Band

David's contribution since joining the Pipe Band in Year 6 has been second to none and to have completed four years in the 'A Team' is exceptional. He has participated in 167 public performances including a staggering 45 as a soloist.

David's piping skills and technique are of the highest standard and his repertoire is extensive. He has recently been promoted to A Grade in the Australian Piping College as a result of his hard work and dedication.

David has won all Grades in the Pipe Band Western Australian State Solo Competition and, more recently, achieved tremendous online success at international level, having acquitted himself extremely well at both Junior and Grade 2 levels. David has performed on the world stage at the Royal Nova Scotia International Tattoo 2017, the Royal Edinburgh Military Tattoo 2018 and the Basel Tattoo Switzerland 2019, with a personal highlight for him performing with the Red Hot Chilli Pipers.

David has been an exemplary role model and has mentored Pipe Band members through tutoring, arranging, recording video and audio of new tune selections, Middle School rehearsals and performances. He has implemented many new initiatives within the Band and been a driving force behind the Swanbourne Solo Competition.

David is a worthy recipient of Honours for Achievement and Service to the Pipe Band.

Public Speaking Honours

Sam Wake (Year 12 Brisbane)
Honours for Achievement in Public Speaking (UN Youth)

Sam has achieved significant success in the UN Youth Western Australia competitions in both individual and team-based events. He has twice qualified for the national finals for the UN Youth Voice and Evatt Model UN competitions. His achievement of advancing to the Grand Final of the Evatt National Finals as a Year 11 student was particularly impressive.

Sam was an outstanding advocate in the UN Youth Western Australia competition. He prepared insightful responses, spoke compellingly and demonstrated a thorough and mature understanding of all sides of the debate and a deep sense of global-mindedness and the ethics of our choices and actions.

The Evatt Competition mirrors the nature of international diplomacy, where nations with competing self-interest work together to achieve shared global outcomes. Sam took on the role of a country and advocated on the basis of that country's interests, tendencies and perspectives in diplomatic discussions to resolve global crises at the UN Security Council. His preparation extended over a month, preparing submissions, positions and identifying possible solutions to global challenges such as terrorism and climate-induced conflict.

Sam has demonstrated consistent high achievement across a variety of roles and competition formats, consistently reaching national level finals. For these reasons he is a worthy recipient of Honours for Achievement in Public Speaking (UN Youth).

Rugby Honours

Samuel Meecham (Year 12 Brisbane House)
Honours for Achievement in Rugby

Samuel has represented the College in Rugby since 2016. He has attended training camps and development sessions with the First XV since Year 10 and was a starting member of the team in both 2019 and 2020.

In 2019, Samuel was the stand out player in the First XV team and, arguably, in the entire PSA competition. In 2020, he was the most dominant player in the PSA competition. Through Samuel's imposing power and strength, the team was consistently able to obtain the advantage. His intimidating tackling pressure and ability to defend and drive play forward was outstanding and he contributed greatly to the College winning the Brother Redmond Cup.

Samuel has demonstrated an admirable work ethic both on and off the field and an excellent attitude at all times. He has been an exemplary role model for his peers and a great ambassador for the College. Samuel has been a member of the First XV leadership group for the past two seasons, in recognition of the respect his peers have for him and the high regard in which he is held within the group.

Beyond the PSA competition, Samuel has received expressions of interest from the West Australian State Rugby Programme.

Congratulations to Samuel on receiving Honours for Rugby.
