

## ATWELL COLLEGE

Dear Parents/Caregivers

Welcome to all our new families for 2021 and to all our continuing Atwell College families. At Atwell College student learning is at the centre of everything we do. Our staff work hard to deliver engaging and relevant education programs to all of our students in a safe and supportive learning environment. Our college would not be the success it is without your ongoing support and we look forward to working with you throughout 2021 as we endeavour to provide every student the opportunity to grow in their learning and develop into responsible young adults who move into meaningful pathways beyond school.

Atwell College has grown with the area and now accommodates approximately 1400 students from within the Atwell College intake area. Multiple educational pathways provide direct connection and opportunity for further study at University, TAFE or other Training Organisations and Employment once students leave our College.

The money you provide through Student Contributions and Charges are vital in continuing to maintain student equipment and resources to provide your child with the best opportunity for success. We have done our best in requesting the lowest possible Contributions and Charges to enable us to keep the standards you rightfully would expect. The Contributions and Charges are calculated on the basis of all parents paying their fair share and I encourage you to make payments as early in the year as your finances allow.

This package includes the Charges and Contributions that relate to your child for the 2021 school year. We are sending you this information now to allow you time to budget, as we appreciate and understand that there are many demands on the family finances, however, this is an investment in creating a future for your child.

Atwell College also offer a number of payment options to assist with paying these Charges and Contributions, information is available on the Atwell College website. I encourage you to contact the college accounts department as soon as possible on (6174 2209) to discuss your individual needs if necessary.

On behalf of all the Atwell College Staff, I wish you a safe and prosperous holiday season and a Happy New Year and we look forward to a successful and rewarding year in 2021.

Kind regards

Peter Rudrum  
Principal
