VOLUNTARY CONTRIBUTIONS AND CHARGES 2022

Dear Parents/Caregivers

The Maylands Peninsula Primary School Board has endorsed the schedule of contributions, personal items and additional costs for 2022 under the *School Education Act 1999*.

VOLUNTARY CONTRIBUTIONS:

Financial support by parents/caregivers has always played a significant role in providing resources that extend the school's capacity to add value to the learning experiences of students. The continuing partnership between schools and parents/caregivers is vital to ensuring that all students receive a level of education sufficient to carry them forward in today's society.

Contributions are voluntary; however, the quality of our teaching and learning programs will be maximised when each family makes a contribution to supplement funding gained from other sources, including the State and Commonwealth Governments. Contributions collected at Maylands Peninsula Primary School contribute to items including resources to support student activities, photocopied materials for Teaching and Learning programs, reading books, Library resources, Physical Education resources and Learning Area resources.

The annual school voluntary contribution is $45 per child.

The total amount of voluntary contributions parents/caregivers are being asked to pay is lower than the $60 maximum set in the *School Education Act 1999*.

OTHER VOLUNTARY APPROVED REQUESTS:

Kindergarten Art & Cooking Contribution: Monies raised are used to provide additional art and cooking activities. (Kindergarten students only).

Pre-primary Art Contribution: Monies raised are used to provide additional art and craft activities. (Pre-primary students only).

Chaplaincy Contribution: Monies raised will be used to fund a range of non-religious pastoral care programs provided by the Chaplain to all students in the school.

Parents & Citizens Contribution: The Maylands Peninsula Primary School Parents & Citizens Association (P&C) has three main roles within the school community – operate the canteen five days per week, run the uniform shop and fundraise for the school to purchase resources. The P&C is run by volunteers who are parents and citizens associated with the school community and all monies will contribute toward the P&C's fundraising objectives.
