Newsletter #13 6 September 2018

FROM THE PRINCIPALS

Congratulations to the competitors, spectators and staff who participated in our recent House Athletics Carnival. As usual, our students gave their very best and competed fairly and enthusiastically. Thank you to the parents and families who came along to support on what was a very successful day. Fittingly, for the first time in living memory, we had a draw for the Shield. Baldwin and Buckland drew in first place and were followed very closely by Stirling.

Our Interschool Athletics Carnival will take place next week on Wednesday, 12th September. The Carnival will be held at Swanbourne Primary School. Team lists are currently being finalised and students will be bringing permission notes home in the near future.

We have received some of the NAPLAN results for our Year 3 and 5 students. Although we have yet to receive the comparison data that shows how we have performed in relation to other schools, the information that we do have indicates our students have performed well. Individual student reports are expected at the school in coming weeks and will be sent home to parents once they have been received.

Please be aware that there is an increased presence of parking inspectors and rangers around the school site. We are all concerned about the safety of our students, we acknowledge that drop off, and pick up times are particularly concerning. During these times please ensure you park safely. As Solomon Street becomes very congested, it may be opportune to use the parking on the north side with access from Lochee St. We thank you for your understanding and consideration and hope to come up with a plan to ease the parking congestion in the near future.

STUDENTS NOT RETURNING TO MPPTS 2019

Please advise the office if your child **WILL NOT** be attending Mosman Park Primary next year. This will assist with planning and class arrangements for 2019

SPECIAL POLICE VISIT

There was plenty of excitement when two officers from the WA Police Regional Operations Group cruised in through the gates off Winifred Street with their sirens blaring on Wednesday. The kids all got to see inside a police vehicle and interact with shields, bullet proof vests and helmets. They learnt about tasers, guns and hand cuffs and had all their questions about policing answered. Thank you to Eloise's dad for providing the experience! Emma Lipscombe

FATHERS' DAY BREAKFAST

The children from EC3, Room 8 and Room 9 treated their dads, grandads, grandmas and mums to a scrumptious breakfast cooked on the BBQ for Fathers' Day. It is always a very special morning. Many thanks to Geoff the gardener and the other volunteers who came in to help prepare the food.

The children in ECU1 enjoyed doing lots of fun activities with their Dads on Father's Night including shaving, testing the strength of spaghetti, making shoes out of newspaper and playing with moon sand. At the end of the night Tristan was crowned King Squiggler after the children voted on their favourite pictures drawn by the dads.

MOSMAN PARK NETBALL - NETSET GO

The Winter Netball Season is now complete. Many thanks to Nicole Hart for coaching the year three team and Karren Pronk for coaching the year four team. The year four team was undefeated but still had a few tough games! Thanks to the umpires and well done to everyone. Margaret Baldwin

The year 3 Mosman Park Primary Netball team competed in the Friday night competition this winter. They did exceptionally well for their first season and won or drew every game! Coached by Nicole Allen and assisted by Gen Hart the team went from strength to strength and had a lot of fun along the way. Learning to play as a team and developing the values involved was especially important.

HOCKEY CARNIVAL

On Sunday 26th August, some of the Year 1's played for Mosman Park Primary in a Hockey Carnival in Fremantle. It was a hot day and we had to play 5 games. We had lots of fun but the best part was getting an ice-cream afterwards! Annie Johnston (Yr 1, Mr Stewart)

KINDERGARTEN ORIENTATION SESSION

Mrs Lund, Ms Williams & Mrs Smallbone

Today Year 3 & 4 had some great stories read to them from past MPPS winners from The Grove Writing Competition. Stewart taught us all about sizzling starts to our stories.

YOUNG WRITERS COMPETITION

We would like you all to take up your pens and pencils and write a story to enter YOUNG WRITERS Creative Writing Competition 2018. It close on October 28th. Please bring your entry to Mrs Smallbone Room 3 and she will enter for you.

'There is a box on my door and an entry form too! Surprise me!!

Surprise yourself!!'

GROVE LIBRARY BOOKWEEK EXCURSION

We can draw Stripey! During Bookweek lots of classes visited the Grove Library for an author talk. Year 3's were lucky enough to hear a fantastic talk from Wendy Binks. She spoke about how she writes and illustrated children's books. She also told us about how a book is published, and the finally taught us all how to draw Emus. It was great!

P&C NEWS

Please refer to the separate attachment with the newsletter email for P&C News.

CANTEEN

We are getting a few "Gluten Free" orders in which is great to see. Unfortunately for now, while we introduce "GF" products, I have to stress that the Canteen is "Gluten Friendly" rather than 100% Gluten Free as I cannot guarantee cross contamination with Gluten products won't occur during preparation. I hope you all understand and we will certainly strive for this in the near future!

Please also try and limit the number of Coles Lamingtons donated. The kids love home-baked goods but totally understand that this is not always possible! We are also seeing quite a few lollies and coloured icing on cakes which doesn't meet the Traffic Light System requirements highlighted in The Department Of Education's Healthy Food & Drink Policy.

Thanks for volunteering and for all your hard work ensuring the canteen runs smoothly. It's good to see the Silver Banking Book being filled out too!

Maz Johnston, Canteen Coordinator

CANTEEN ROSTERS

The canteen is a huge fund raiser for the school and every child benefits. Each class is responsible to fill any vacant shifts the week they are rostered on for Bake, Donate & Volunteer. We strongly urge any parents that haven't done a canteen shift to volunteer just 2 hours of their time at least twice a year. That's all it takes. Please sign up for a shift at <http://signup.com/go/afMFbmH>

The Canteen provides funds to the school to help operate programs like Artist in Residence, Scope IT and resources for each class.
