Waterous Loop

0.0 km Start Lake Navarino. Turn left towards dam on Inverrel Road (the opposite way you drove in). Sealed road. Get a photo of the map at the info hut - it is accurate.

400m/0.4 km KSO Car Park on left - Trail comes from left.

100m/0.5km Cross Dam wall

400m/0.9km TL - markers missing but posts are there with black/blue triangles pointing correct way. Sealed road, with dam on left

1600m/2.5 km KSO into single track at T junction with Scarp Rd (map appears to show track turning to left, but KSO is definitely correct.) No marker, but stop sign for other direction right in front of you.

700m/3.2 km TR old form

1000m/4.2 km TR marker but basically KSO as track off the left - very clear

500m/4.7 km Cross Samson Brook. Short rocky uphill for 30m the TR onto form (gravel road). 20 m later on left is a blaze tree

200m/4.9 km TL old form. Steep uphill for 1.4 km.

1400m/6.3 km Top of hill. Track narrows

1100m/7.4 km TR on wide smooth gravel road - mine road? Unnamed on map

1400m/8.8 km TL old form as road swings right. Go through gate

1500m/10.3 km VL into single track. Picnic table and toilet. Cross McKnoe Brook

100m/10.4 km TL onto old form (Waterous Rd)- no marker. Note - if coming opposite direction, there is no TR sign off Waterous Rd either. The marker to cross bridge is off the Trail and could easily be missed.

1800m/12.2 km TR after going through a gate. Wide gravel road

500m/12.7 km Cross conveyor

200m/12.9 km TL down service road towards conveyor

100m/13.0 km TR into single track just before "keep out" sign

600m/13.6 km TR old form - very nice section

1200m/14.8 km KSO marker as cross sealed road (Willowdale) into Kooyong Form.

300m/15.1 km TL passed giant tree ferns

200m/15.3 km TL, then 50 m later TR single track

400m/15.7 km Cross small bridge

1100m/16.8 km TL onto old form joining Munda Biddi Waterous and or MB markers now)
